Culture & Points of Interest

Juraj Jakubisko Museum:

Kojšov is the birthplace of the famous Slovak film director Juraj Jakubisko. His museum is located in the village and open to visitors.

Ružín Water Reservoir: Recreation area with swimming options.

Košice: Historical center, 2nd largest city in Slovakia.

Prešov: Historical center, 3rd largest city in Slovakia.

Gelnica: Mining museum, Lake Turzov (swimming option).

Wifi is available in the cottages.

One cottage has a small common room for about 15 people.

PS:

The owner of the accommodation facility, lives in a house by the road. She is one of the women with super abilities. She herself overcame a serious illness, and lives alone with her adult daughter in a wheelchair, who is also a super woman. Despite her handicap, she graduated from university and is a great optimist. Both are very pleasant and communicative.
